THE 1967 STAR
HENDERSON STATE COLLEGE
Volume III
Edited by Sandra Pumphrey
Arkadelphia, Arkansas

Many years ago in this great land that we call the United States of America, the brave pioneers trodded over many mountains and forded many streams in search of their dreams. Goals of freedom and democracy were set forth by these men and women.

We, as citizens of America, are on the upward road in attaining these goals set forth by our forefathers. The fields of science and mathematics have been broadened to the point that most of our lives are run by automation, whether it be in the home, at school, or at work. Because of the knowledge of these fields, space has been brought closer into lives than we have ever known before. These are only a few of the examples of the mountains we have climbed and streams we have forded in order to make our country what it is today.

Every American appreciates the leaders of our country, but this appreciation is hard to express in words. An excellent way to show that we are indebted to these outstanding people is to salute our American Flag. The flag could be spoken of as the rainbow that enables us to find our dreams. As long as "Old Glory" waves her red, white, and blue, we know that our dreams are real. By getting a funny feeling in our heart as though we are bursting with pride when the flag is lowered or raised or when we hear the words to "The Star Spangled Banner", we are living proof that we are grateful to these Americans. The men who fight in wars are fighting for the American people and for the traditions of the United States. This is patriotism! This is love! This is the only way of life in America!

America, the land of the free, set forth a challenge for us to lead, direct, and continue the traditions of our country, and while doing so to continually better ourselves. The challenge we have can be summarized by a song from Roger's and Hammerstein's "The Sound of Music". Take the following four lines; apply them to your life; and be proud of AMERICA.

Climb every mountain
Ford every stream
Follow every rainbow
'Til you find your dream.

MRS. JUANITA LAKEY (center) attends Colhecon meeting in the Student Union Ballroom.

Dedicated To

Mrs. Juanita Lakey

As the home and the family is the backbone of American life, it is imperative to train young women in the art of homemaking. In order to accomplish this goal a college must have teachers who are genuinely interested in producing the highest quality. An instructor who unites a true dedication to her profession with a knowledge in her chosen field plus a willingness to answer the call above and beyond duty's realm is certain to be an asset to her students.

Her enthusiasm for college teaching, her respect for and interest in students, her untiring effort to improve the quality of education on the Henderson campus, and her contributions to the Arkansas Education Association and the Arkansas Home Economics Association, make her an outstanding woman in her profession. Henderson is indebted to Texas for this instructor who is chairman of the home economics department and supervisor of the block for home economics majors. Due to her worth to this institution, we, the 1967 STAR staff humbly dedicated this yearbook to

MRS. JUANITA LAKEY

Mrs. Juanita Lakey, Chairman of Home Economics Division

Dream*

BOOK I ACADEMIC

President M. H. Russell — leader of a growing institution — HSC

M. H. Russell, as president of Henderson State College since 1963, has seen this institution of higher learning grow in stature during his administration. Enrollment has increased tremendously, and the physical plant has grown with the completion of a high rise dormitory for men, the purchase of the old country club for further expansion, and the beginning of construction on another new high-rise dormitory, science annex, library, and athletic field.

He received his B.A. degree from Arkansas A and M and the M.S. degree from Oklahoma State University at Stillwater. He has done graduate study at Teachers College of Columbia University and the University of California. The LL.D. degree was conferred on him by Hendrix College in October, 1965.

President Russell has been active in professional organizations, having served as president of the Arkansas Education Association, the Arkansas School Administrators Association, the State Superintendents Association, the Arkansas School Study Council, and the State North Central Committee of Colleges and Secondary Schools. For three years, 1963-65, he was president of the Arkansas State Council on Economic Education.

He has been active in civic work, having served as president of the Chamber of Commerce, the Rotary Club, and on numerous boards during his residence in Arkansas cities. He was included in Who's Who in American Education, Who's Who in Arkansas in 1959, and is in Who's Who in America.

AS A PROMOTER of higher learning, President Russell speaks to students at annual awards banquet. Student are honored by President Russell on the achievements they have made at HSC.

1967 Board of Trustees

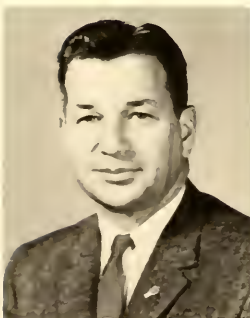

RAY MARTIN
Chairman
Rison

Arkansans who play a vital part in the development of Henderson State College are the members of the Board of Trustees. These seven persons formulate the policies which are responsible for the college's rapid growth.

The Board acts as general controller and manager. College officials depend on this group for authority to administer affairs and to help with decisions. It derives its funds mainly from legislature appropriations since Henderson is a state college. The Board serves as a governing and administrative body, and in this respect it decides college policies, elects staff members, and decides on new campus construction and work.

As individuals, the Board members are people who have taken time from their personal affairs to help Henderson in its rise to greater achievements.

General College — General Education

The General College is charged with the orientation, guidance, and basic studies of students during the first two years of college. Its purpose is to provide a student with a general education which may in turn be described as that non-vocational, unspecialized education possessed by the well-informed person in our society.

As Dean of General College, Dean Strack is responsible for academic leadership toward counseling on academic problems, approving, and supervising with the recommendation of the faculty.

CHARLES M. STRACK, Ph.D.
Dean of General College

The College aims for higher academic level

Any institution of higher learning is forever aiming for a higher degree of academic level. Henderson is no exception. The responsibility of the direction, supervision, and expansion lies in the hands of the Dean of College.

Dr. Joe T. Clark serves as the Dean of College assuming these responsibilities and is fulfilling them to the best of his ability.

Dr. JOE T. CLARK, Ed. D.
Dean of College

Dr. C. W. THOMASSON
Dean of Graduate Studies

Graduate studies — final building block

The graduate program has been expanded this semester. Monday and Thursday nights have been set aside for graduate classes.

This program was made possible in 1954 when the Henderson Board of Trustees approved a fifth year program of advanced professional education for Henderson.

Candidates for admission to the grade program must have a bachelor's degree from an accredited institution or be within three semester hours of graduation. Unless special conditions persist, the candidate must have a 2.50 grade point average or a 3.00 point for the junior and senior years.

Dean of Students advises on problems

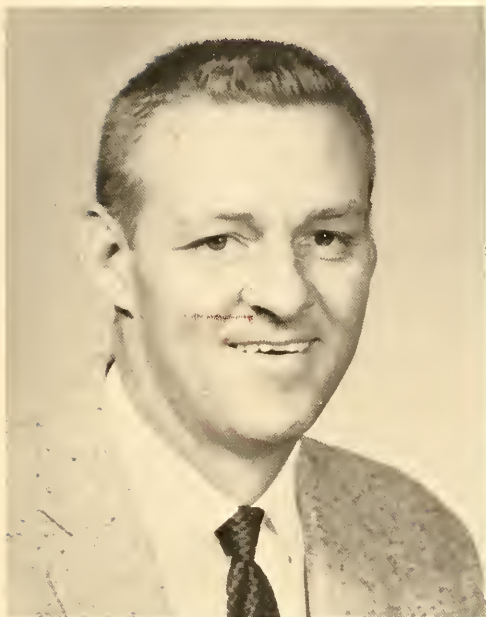

Gordon Beasley was named Dean of Students for the academic year, 1966-67 after serving as Dean of Men. Dean Beasley advises the students on academic, financial, social, and recreational activities. He assisted the Greeks in the direction of their first annual Greek Week.

Serving as sponsor of the Men's Council and IFC, Dean Beasley proves his interest in the Henderson students.

GORDON BEASLEY, M. Ed.
Dean of Students

Deans offer guidance to students

JOE BARRENTINE
Director of Housing

Students are constantly faced with problems. These problems are taken to the deans who assist them on such matters as housing, rules of the college, and various other problems.

Dean Joe Barrentine serves as the housing director. His responsibilities include the assignments of dormitory rooms, the inspection of the dorms, plus many others.

Gary Anderson came to Henderson in the fall of 1966 to fill the capacity of Dean of Men. Keeping a close watch over the men of the campus is his duty.

Bernice G. Smith, Dean of Women, keeps close contact with all the women by serving as sponsor of the Student Senate, Panhellenic, and AWS.

GARY ANDERSON
Dean of Men

BERNICE G. SMITH
Dean of Women

Expansion produces increased duties

The offices in which these people work are responsible for keeping accurate records of students and faculty life running smoothly.

Admission of new students, caring for records, sending out grades and transcripts, issuing payroll checks, housing problems are only a few of the endless jobs required of these people.

Problems are daily occurrences to the administrative staff working for the benefit of the college to maintain a smooth-functioning student life.

Military Science — man serves his country

Military science is required of all male students during their first two years at Henderson. Though seemingly unimportant at the time it is taken, military science is laying the foundation for the leaders of tomorrow. The division offers varied courses in military training. Among these are American military history, map and aerial photograph reading, small unit tactics, operations and logistics, and military justice. Military science also provides the male student with a broadened outlook on the United States' role in world affairs by emphasizing our military importance as a nation. The ROTC department at Henderson offers an advanced course and an opportunity for a commission in the United States Army.

Language and Literature— The Communication Medium

Language is the means by which we communicate and literature is the means by which we record this communication. The division of language and literature's objective is to develop the students' communicative power to fuller capability. This task is accomplished by assisting the students in a better understanding of, use of, and enjoyment of the languages and literature.

The foreign languages and literature heightens the students' communicative abilities by acquainting them with a new world of thought and expression, feeling and tradition. The professional objective of the division is to supply the elementary and secondary schools with competent teachers of the language arts.

THE LIBRARY PROVIDES a grand place for working on Communications research papers—and other things.

JAMES DURHAM
Assistant Professor

DR. C. M. ELLIS
Professor

Instructor

DR. BOYCE A. DRUMMOND
Chairman
Ph.D.

Social Science investigates man's relationship with his society

The smooth functioning of society is the focal point around which our lives revolve. It is essential that we learn to live in, not just exist in, our family, our community and world. The courses in social science at Henderson serve as stepping stones toward harmony between the student and his surroundings. Among the varied purposes of the social science courses are assisting the students in adjusting to the physical and social environment, the teaching of the value of cooperation and tolerance in a free society, providing the student with a socially acceptable group of attitudes and values, and giving the student a basis of comparison between democracy and other systems of government. These purposes are in conjunction with the preparation of competent teachers in the social sciences.

Education and psychology prepares the teachers of tomorrow and probes the nature of human behavior

Education may be defined as the systematic study of the problems, methods, and theories of teaching and learning. The objective of the Department of Education is to resolve these problems, demonstrate the methods, and explain the theories involved. The Department of Psychology is interrelated with education. An increased understanding of human behavior aids in the relationship between teacher and pupil. The curriculum in teacher education was developed for the purpose of preparing competent teachers for our elementary and secondary schools. The Division of Education also provides an off-campus, full time practice teaching experience in the public schools.

DR. EMORY WESLEY
Associate Professor

Biological science dissects the world of living things

The purpose of the biological science department is to give the students a better understanding of one of the world's greatest mysteries—life itself. The general education behind the department's program will enable the student to obtain knowledge about, an understanding of, and an appreciation of the living world. The professional objective of the division is to prepare competent teachers of biological science for the elementary and secondary schools.

DR. ADELPHIA

MRS. JUANITA LAKEY
Professor and Chairman

Home Economics — the building block for future homemakers

The courses in Home Economics offered at Henderson provide a sound basis for good home management and family life. The courses are designed to aid those students who want to use them to increase their skills as homemakers. They also provide subject matter for those who desire to work in other fields where general home economics training is essential or valuable. The professional objective of the division is to train teachers for effective work in the vocational homemaking programs of the secondary schools.

MISS ELIZABETH CUNNINGHAM
Assistant Professor

MISS ALLENE STANTON
Assistant Professor

MRS. VIRGINIA WILMUTH
Assistant Professor

CAROL GRISHAM PRACTICES sewing techniques, one phase of home economics, as she constructs a garment in advanced clothing.

STUDENTS IN ADVANCED clothing study many sources for methods of clothing construction before cutting a garment out. These methods are put to practice every day.

MEAL MANAGEMENT IS one class in which girls learn to manage time in all phases of meal preparation and serving.

DR. JAMES PINKERTON
Professor & Chairman

Business Administration deals with the management of business affairs

The purpose of the division is to educate young men and women for positions of leadership and responsibility in business, government and various other institutions. The economic progress present today is dependent largely upon the competency of the people who are involved in the various facets of the business world. Proper training in business management is the format for this competency. The Division of Business Administration at Henderson provides such training. Accounting, economics, management, business law, and finance are some of the numerous subjects offered in the division.

RAMONA WARD, a student in Office Practice, refers to her workbook in order to perfect a typing job.

DONALD DODSON

Music—man's creation of aural pleasure

The study of music provides richer meaning as well as added achievement in a chosen field for the performer. The music department at Henderson seeks to achieve this dual purpose. Courses are maintained for the student who is just interested in music as well as those students who will become vocationally involved in it. The professional objective of the division is to provide adequate teachers of music for the elementary and secondary schools.

MR. ROBERT UMIKER
Instructor
M.M.

SOME NEW RECRUITS for the Reddie band will soon follow Don Davis to the Fine Arts building.

THEY MAY BE waiting for a music lesson or they may be just waiting.

YOU MUST STAY on top of your music but this is ridiculous!

"KEEP THAT MUSIC up, girls, and sit tall!"

MR. ROY BENNETT
Assistant Professor
M.M.

WAYNE McAFEE
Assistant Professor

Art — man's search for asthetic pleasure

The Division of Art creates individual appreciation, awareness, and understanding by giving all students an opportunity to find a suitable form of recreation and self-expression. It develops selectivity and sensitivity through participation in creative work. It develops a philosophy which incorporates a purposeful art-educational program for those who expect to teach. It helps the individual student secure social, emotional, intellectual, and psychological growth through personal creative expression. It enlarges the students concept of his cultural heritage. It discovers, conserves, and guides the talented student into the appropriate professional field of art.

LETTERING POSTERS CAN prove to be a very tedious task—but this art student knows she will do a good job.

JOE T. SCOTT
Assistant Professor

"Now, LETS MOVE that up there and this down here and change the color from this shade to that one! Don't you think that would help?", asks Mr. Scott.

ARTHUR HAS HAD more fun chopping away at poor Andy's head!

JOE C. COULTER
Assistant Professor

*Library Science categorizes
man's recorded knowledge*

Library Science involves the study of the principles and practices of library care and administration. The library is a vast storehouse of knowledge but unfortunately not enough people know how to make use of it. Such things as the card catalog or the Readers' Guide are not taken advantage of. The courses in library science are designed to advise the student in the methods and means behind the library, and on a professional basis, to produce our librarians and teachers of library science.

MISS ALLIE WILSON
Associate Professor

"WHAT COULD BE more exasperating? Look at that sun—and here I sit—on the 3rd floor of the library!"

MRS. LOUISE SOEY
Head Librarian

MRS. MARION JONES
Assistant Librarian

THE LIBRARY ALSO serves as a classroom for Miss Lucas' math class.

MRS. LUCY FINLEY
Assistant Librarian

MRS. WILMA ANKRUM
Assistant Librarian

LESLIE TOPE
Chairman

Physical Science deals with inanimate matter or energy

The world of physical matter or energy's effect on our everyday lives cannot be overemphasized. Whenever we iron a shirt, travel by ship or plane, drive our car, or wonder at marvels like the Grand Canyon, we are experiencing contact with physical matter and energy. It is necessary for us to have a basic understanding of the principles underlying this phenomena. The Physical Science Department at Henderson is attempting to give us the background that will develop into this understanding. The Division's main objective is the preparation of students for teaching physical science at the elementary and secondary school levels. To this end, courses are provided to give a liberal education in the fundamental principles of sciences, together with laboratory work, and a familiarity with important applications in our modern civilization.

"WHY DOESN'T ANYTHING ever work for me?" asks Sherry Conatser after hours of fruitless work in the laboratory.

HASKELL JONES
Assistant Professor

IF THIS PHYSICAL Science class doesn't end in a big hurry, there will most likely be a revolt.

RICHARD ROBINSON
Assistant Professor

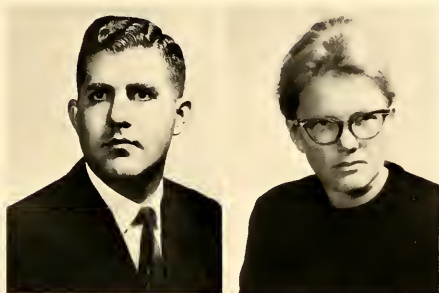

Mathematics — the language of Science

Mathematics provides the basic tool for investigation into almost every area of human endeavor. In the highly technological world of today with more and more emphasis being placed on science it is almost a necessity that one have some familiarity with the field of mathematics.

The purpose of the mathematics department at Henderson is to give the student a solid background in the science of numbers and their operations, interrelations and combinations. The professional objective of mathematics for the job that lies before them.

MISS MARY FOSTER
Professor

DR. EARL FULMER
Associate Professor

MRS. PATSY MELTON
Instructor

AFTER AN HOUR of Fundamental Math, these students take a break at the union.

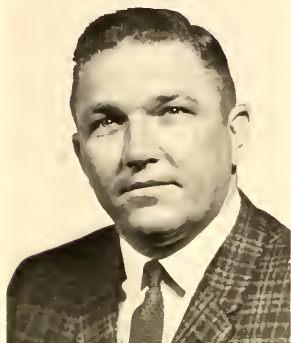

"IF I HAD only learned about scale drawings my Freshman year, I'd be much better at drawing layouts," moans Linda Adams.

BEN THAXTON
Assistant Professor

CLARENCE DURAND
Instructor

Physical Education — man develops his body to fuller potential

DR. SPENCER HOLT
Professor and Chairman

The primary purpose of the Division of Physical Education is to prepare Physical Education teachers for the public school systems. Courses in the skills and fundamentals of a variety of activities are offered to all students who desire to enroll. These courses are designed and conducted to provide the individual with methods and skills to use his leisure time wisely through activities that provide for organic stimulation, social efficiency, and emotional stability. The Division organizes and supervises an intramural program in support of the objectives above. Students who major in Physical Education are expected to be active in the Physical Education Club and in intramural sports.

CLYDE BERRY
Instructor, Head Coach - Baseball

MISS DELORES BRUMFIELD
Assistant Professor

DON DYER
Instructor, Head Coach - Basketball

PHYSICAL EDUCATION CAN be fun for everyone, especially when these basketball games are played among friends.

"I WIN! MY team's in bat first!" shouts Karen, as WRA teams up for softball.

"GET IT UP, Toni!" "Help it over, girls!"

JIM MACK SAWYER
Assistant Professor
Head Coach - Football

MISS BETTYE WALLACE
Assistant Professor

"YOU'VE GOT TO be kidding! No one can put all that into one dive!"

THIS IS BASKETBALL girls, not soccer!

JOHN DUKE WELLS
Associate Professor
Chairman - Interschool Athletics

BOOK II CAMPUS LIFE

THE FINE ARTS building, located on 12th Street, is the home of the music, art, and speech department. With the outstanding facilities in this building, the students can work to capacity.

Welcome to Henderson

PROCTOR HALL is the home of the Home Economics department. Home Economics is the science of homemaking, and the

facilities found here enable the students to make the most of their abilities and also learn new skills.

McBRIEN HALL, in the center of the campus, serves as the administration building and a classroom building. A favorite on the campus, McBrien was constructed in 1964 to replace College Hall.

CADDO CENTER, the dining hall used by all on campus students, has two dining areas, modern kitchen facilities, and a private dining hall for the President.

State College

LOOKING ACROSS THE campus, one can see Arkansas Hall, one of the oldest buildings at Henderson. Arkansas Hall houses the auditorium and Huie Library. This building will soon be converted

into classrooms with closed circuit television. This will take place when the new library is completed.

*Henderson State,
a growing college*

HOME OF PRESIDENT and Mrs. M. H. Russell, this two story brick house is located at 1440 Henderson Street.

DAY ARMORY HOUSES the military department. It was constructed in the '30's. Many cheers for the Henderson round-

ballers can also be heard during basketball season.

CONSTRUCTION ON A new library to replace the Huie Library located in Arkansas Hall was begun in the early fall of 1966.

HAYGOOD GYMNASIUM, HOME of the physical education department, has open to all Henderson students, a swimming pool and basketball court.

AN ANNEX TO McElhannon, the science building, is to be completed by the fall semester of 1967. When building anything on the Henderson campus, it is a must to protect the traditional pine trees.

The bridge

THE BRIDGE, USED daily, by all Henderson students separates dorm life from academic life.

HOLLY, PREVIOUSLY A freshman dorm, was converted into an upperclassmen dorm the fall semester of 1966.

between social and academic life

TURRENTINE HALL, A three floor brick residence for upperclass women was completed in 1963.

GARRETT APARTMENTS FOR married students is located on the north side of the campus behind Turrentine.

SMITH HALL, NAMED for H. Grady Smith, was completed in 1966. An eight floor residence for men, it houses a recreation room, formal lounge, and the head resident's apartment.

MOONEY HALL, THE home of upperclass women, also houses offices and five sorority rooms. This building is centrally located on the campus.

GOODLOE HALL, PREVIOUSLY a dormitory for men was used to house freshmen women. Built in 1963, Goodloe has a twin dormitory directly across the street.

FOSTER HALL, A three story boy's dormitory, is located on the north side of the campus facing U. S. Highway 67.

*Dorms add interest
to college life*

HOLLY, PINES, AND Oaks are identical residences which serve as "a home away from home" for freshmen and upperclass women.

WOMACK HALL, LOCATED across from Caddo Center and the Student Union, housed the athletic boys this year.

BEFORE COMPLETION OF registration, each student must get the Dean of College's approval. Dr. Joe T. Clark in the foreground is Dean of College.

DR. ELLIS OF the Language and Literature department helps Jerry Dellinger in scheduling his classes.

Registration

A MILITARY STAMP is essential for all boys to receive before completing registration. Captain Porter assists boys in registering.

MIKE KELLY COMPLETES the last step in registering—the payment of all dues.

AFTER REGISTRATION IS over, many students are compelled to rid themselves of stored up emotions.

Entertainment from Afar at HSC

DR. FEEL GOOD and the Interns provided swinging music at a dance held in Day Armory.

ALL GOOD PERFORMERS must practice and there was no exception for The Young Americans, an outstanding group of young people who presented a concert in Day Armory.

CAUSING MUCH CONTROVERSY on the Henderson campus, the Young Americans proved to be splendid performers. The

students attending the concert were captivated by the vivacious group.

AN INSTRUMENTAL BY the Interns produced music which shook the rafters of Day Armory.

LITTLE EVA, THE favorite performer of the night, held many students spellbound with her tremendous performance.

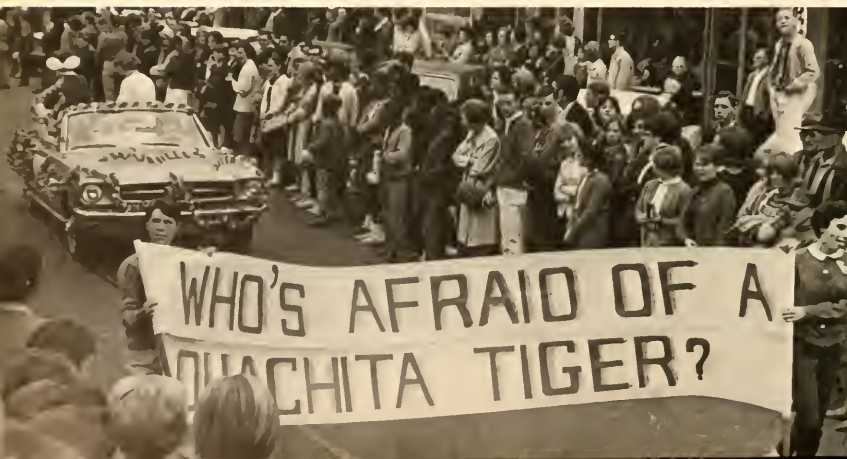

*Queen Donna reigns
over homecoming festivities*

TRAY BERRY LOOKS on in bewilderment as Co-Captain Ladell Farley kisses Queen Donna Vaughan.

CINDY SAWYER AND Tray Berry served as flower girl and crown bearer for the homecoming assembly.

THIS SIGN IS typical of the feelings the Reddies have for our neighbors, the Tigers.

MOBY DICK, ALPHA Xi Delta's float, won first prize in the homecoming parade. The Alpha Xi's received a twenty-five dollar cash award for the effort in preparing this float.

AN EGG THROW, sponsored by Sigma Phi Epsilon, allowed students to release strong emotions by throwing eggs at Kelly Hassin.

COACH CLYDE BERRY and Coach Jack Robey lead the Reddie fans in a "Red-Gray" cheer at the homecoming pep rally.

MISS HENDERSON PAGEANT

FIVE BEAUTIES WERE selected as finalist in the Miss Henderson pageant. The finalist were Jeanie Barentine, Tura Bell, Kay Gnau, Jane Blackman, and Judy Dozier.

MISS JUDY DOZIER, first runner-up presented a patriotic reading, "Death of an American Soldier".

JAN GAINES, **LAST** year's Miss Congenality, presented the 1967 Miss Congenality award to Martha Sue Henry.

TURA BELL RECEIVES Miss Henderson crown and robe from the outgoing Queen, Suzanne Davidson.

SECOND RUNNER-UP, KAY Gnau, sang "I Feel Pretty" for her talent.

"I **CAIN'T SAY** No" was sung by Miss Tura Bell, 1967 Miss Henderson.

TURA BELL WINS!

A PIANO MEDLEY from "The Sound of Music" was presented by Miss Karen Green.

JANE BALCKMAN PORTRAYED a ten year old in "The Library" from O YE JIGS AND JULIPS.

"April in

LINDA WALLIS PRESENTED a twirling routine as her talent.

A **PIANO AND** vocal medley of "Serenade in Blue" and "Blue Moon" was presented by Jane Dansby.

MARTHA SUE HENRY sang "Summer Time" from Porgy and Bess.

MARY THOMAS PRESENTED a modern jazz dance to "Showboat".

"**TRY TO REMEMBER**" from The Fantastics was sung by Kathy Bell.

Paris"

A **DRAMATIC READING**, "Wild Grapes" by Robert Frost, was presented by Nancy Funderburg.

REGINA SMITH MODELED a dress, jacket, and coat she had made and designed.

MISS CAROLYN HALTOM presented a vocal number of "I Feel Pretty" and "Tonight".

"**ANTHONY AND CLEOPATRA**", a modern dance, was Barbara Bethea's talent.

"**I AIN'T DOWN Yet**" from The Unsinkable Molly Brown was sung by Linda Roebbke.

Sorority Rush Week

PANHHELLENIC SPONSORED A skit night for all girls, freshman and transfers, who were interested in rush. Each sorority presented a skit which was prepared by the girls, including costumes.

SHARON SHELBY FLYS down the hall of Mooney, home of all sororities, to accept her bid from Alpha Xi Delta.

DELTA ZETA PLEDGES received ribbons and name tags at the party held for them on December 3, the day Greek bids were sent.

MARTA NEWTON CLOWNS for Jane Dansby as two more rushees enjoy the clowning.

"MAUDIE BELLE'S DILEMMA" was presented by Alpha Xi Delta. The end of this skit pleased everyone when Maudie Belle chose to attend Henderson.

BETTY MONROE CLUTCHES her bid from Alpha Sigma Tau while Theta Xi Brother, Charlie Ragan, gives her a big hug.

First

EVERYONE ENJOYS A picnic, and the Henderson Greeks are no exception. The picnic was held on April 11 in the Arkadelphia City Park.

A MARRIAGE BOOTH conducted by the Alpha Sig's performed many "wedding ceremonies." Bitsy Dixon and Lynn Garner have just been pronounced man and wife.

THE SISSY CHARIOT races proved to be quite interesting. The Tri Sigmas pictured here won the first place trophy in this race.

Annual Greek Week

TENSION AND ANXIETY mounts as the sororities and fraternities make final preparations for the Chariot races.

CHARIOTS WERE CONSTRUCTED by each fraternity to specifications set by the IFC. The Phi Sigs are running their first leg of the race.

THE DELTA ZETA Jail proved to be the favorite booth at the Greek Carnival. The DZ's had a number of interesting people in their jail the night of April 14.

In and

DUKE AND LINDA "Duke" Drews entertain at the Halloween Party held in the Student Union ballroom.

HENDERSON'S OWN MIKE Bingham was the singer at the Phi Lamb house party February 17.

JOE MIZZELL ENJOYS playing the drums and everyone enjoyed listening to him while attending a party in the Student Union.

around HSC's campus

RAIN! RAIN! RAIN! A scene as pictured above is not unusual at Henderson. Most people in Arkadelphia will agree that this is the wettest spot in the state.

RONNIE "BULL" ECHOLS and Charlie Hughes take their turn at beating the homecoming drum. The continuous beat of the drum sounded from Thursday until game time.

ELAINE HODGE FINDS that along with studies come the family wash. Elaine and her husband, Leon, live in Garret, the married apartments.

BETTY MONROE AND Jane Dansby serve Mrs. Lillian Knott, Turrentine dorm mother, coffee at the Queen of Stars coffee on Saturday morning.

QUEEN OF STARS

Judging

FIVE HENDERSON BEAUTIES were judged for the title of Queen of Stars. Judges were Mrs. Ida Kennedy of Arkadelphia, Mrs. Roy Finch and Mrs. Joe Cook, both of Little Rock.

A FORMAL LUNCHEON in the President's private dining room was held for the candidates and the judges.

EVERY EVENT REQUIRES someone behind the scene to carry on with the decorations, cleaning up, etc. Sue King and Janie Brookings washed dishes after the coffee.

1967-68

LOOKING OUT THE second floor window of the Student Union, one can readily see that this is the center of activities on the Henderson campus — the perfect place for campaigning for senate offices.

MALLY SHELL AND Marta Newton (center) pass out candy to voters on election day. Whether or not the candy helped, we do not know, but Mally and Marta won the elections.

STUDENT SENATE ELECTIONS

ALL AVAILABLE SPACE was used for posters. When no space was left, Doug Chunn, candidate for President, hung wooden signs from light poles. Doug won the election because of his many experiences with the Student Senate at Henderson.

MANY INTERESTING CAMPAIGN posters were on display on the campus the week before the election. Pat Rhodes worked diligently for the office of Vice-president and won by a wide margin.

Who's Who in American Universities and Colleges

JIM PATE
Business

Fifteen colleges and universities in Arkansas have students listed in the national volume of *Who's Who*. The quota of students allowed for this honor depends on the school's enrollment.

Junior and senior students are selected by a nominating committee consisting of two-thirds of the faculty plus officers from several student organizations. They are chosen on the basis of scholarship, participation in academic and extracurricular activities, citizenship and service to Henderson, and promise of future potential.

The rewards for the student chosen to *Who's Who* includes a job placement and reference service to assist them upon seeking employment, and a certificate of recognition given in the spring awards assembly.

GREEKS

PATTY BELL SERVED as president of the Alpha Gamma Chapter of Alpha Sigma Tau. She is a Senior Psychology major from Pine Bluff.

Alpha Sigma Tau climbs the mountain of success

The Alpha Sigma Tau Sorority was founded at Michigan State Normal College in 1899. The sorority conceived two major purposes—the establishment of lasting friendships and the promotion of worthwhile ideas.

Miss Amy Jean Greene, sponsor of the Alpha Gamma Chapter and the National Advisor, gave the Tau's a Christmas party.

The flood in the sorority room on February 13 called for more money. The pledges had a shoe shine and made the room all ready for the national officers' visit on February 24.

The Tau's were very pleased to have so many of their sisters in the different organizations and activities.

CONNIE WELCH SERVED as president of the Epsilon Pi Chapter of Delta Zeta. She is a Senior Home Economics major from Pine Bluff.

Delta Zeta follows ideas set by founders

Founded in 1902 at Miami University in Oxford, Ohio, Delta Zeta set goals for scholastic achievement, development of character, and social responsibility. Cultural training is supervised by a national committee on standards. The rose and green colors and pink rose are the traditional colors and symbols of the sorority.

The Delta Zetas theme in the Homecoming parade was "On the Beach". The DZ's are proud of their sisters who are cheerleaders, class favorites, and all others who carry titles of honor.

GIRLS! GIRLS! GIRLS! The Student Union was filled with girls dressed in their finest for the rush parties held in the fall. Dave Loftin and Mike Allen seem to be trying to slip in the DZ party.

FRANCES ANN MOORE served as president of the Beta Eta Chapter of Sigma Sigma Sigma. She is a junior elementary education major from Little Rock.

Sigma Sigma Sigma has high sense of honor

Established in 1898 at one of the oldest teacher training institutions, Longwood College, Virginia, Tri Sigma is dedicated to establishing permanent friendships among college students, and it strives for leadership and character development. The Beta Eta Chapter was established in 1946.

Beta Eta has concentrated its efforts toward the Robbie Page Memorial Fund in honor of their former president's son who died of polio. A project for this fund was the film "Bird's Do It!", presented on March 11.

The Tri Sigs passed out jelly beans on homecoming day with a "Bean'em Reddies" booth in the Student Union.

Alpha Sigma Alpha fords the stream of progress

In order to perform deeds and mold opinions which would elevate womanhood, Alpha Sigma Alpha was chartered in 1903 at Longwood College in Virginia. It chose for its colors pearl white and crimson, its jewels the pearl and ruby, and its flower the narcissus and aster.

In 1946, the Beta Mu Chapter was founded at Henderson. The Alpha Sigs participate in a national philanthropic fund for underprivileged children.

The theme of the float for homecoming was *Ship of Fools*. The Alpha Sigs are proud of their sister they had in homecoming.

DIANE FUNK SERVED as president of the Beta Mu Chapter of Alpha Sigma Alpha. She is a senior math major from Little Rock.

Sigma Tau Gamma --- the oldest fraternity at HSC

Founded in 1920 at Central Missouri State College, Sigma Tau Gamma established the standards of promoting leadership, providing fellowship, and developing character. Alpha Epsilon Chapter of Sigma Tau Gamma was installed at Henderson on March 23, 1946. It is the oldest fraternity on the Henderson Campus.

The Sig Tau's, as they are known on campus, held two house parties during the year at their house on North 8th Street. Their formal rush party, which followed several smokers, was held in Hot Springs. The annual White Rose Formal was held in April in the Student Union Ballroom.

BEN VICK SERVED the Alpha Epsilon Chapter of Sigma Tau Gamma as President. He is a junior speech major from Benton.

Phi Sigma Epsilon holds western dance

Rho Chapter of Phi Sigma Epsilon was founded at Henderson in 1945. The national fraternity was founded in February, 1910, at Kansas State Teachers College, Emporia. The idea of the fraternity was to provide friendship and to help in intellectual, moral, social, and physical development.

The Phi Sig's, as they are known around the campus, held their annual western dance and a Christmas Dance with Mu Chapter of Phi Sigma Epsilon at State College of Arkansas.

This year the Phi Sig's and their sisters, the Alpha Sig's, exchanged pledges.

Theta Xi—founded during Civil War

Theta Xi was the only college fraternity to be founded in the Civil War years. It was founded at Rensselaer Polytechnic College on April 29, 1864 as eight students took the formal oath. Later, in August of 1962 Theta Xi merged with Kappa Sigma Kappa and took over its twenty-one chapters, including Henderson's Chapter.

The old Arkadelphia Country Club was converted into the new fraternity house for the Theta Xi's. Much work was put into preparing the house for the great move. March first was the day for moving. The seventeenth of March was the date of their first party at the house.

JEFF CURTIS SERVED as president of the Kappa Iota Chapter of Theta Xi. He is a senior accounting major from Benton.

REDDIE VICTORY WAGON, the Theta Xi entry in the 1966 Homecoming Parade, carried the Reddie cheerleaders. A round of applause could be heard for the wagon as it made it's way through the city of Arkadelphia.

MISS JAN GAINES, an Alpha Tau, was named Theta Xi Sweetheart.

MISS LISA MAY was selected as Princess of Theta Xi. She is a member of Alpha Sigma Tau.

MISS SUSAN MOSELEY was chosen as Theta Xi Pledge Sweetheart. She is an Alpha Tau pledge.

Phi Lambda Chi supports the Reddies

Phi Lambda Chi Fraternity was founded March 15, 1925, at Arkansas State Teachers College, Conway. The Epsilon Chapter was chartered at Henderson in 1946, and this fraternity supplies fellowship and builds character in its members. The Grand Council is the governing body, and it includes both national officers and chapter delegates. The National Conclave was held in Fort Smith. Miss Kay Gnaul was chosen as Phi Lambda Chi National Sweetheart.

The Phi Lamps backed the Reddies all the way this year. During the AIC Tournament in Pine Bluff, the Phi Lamps dribbled a basketball to Pine Bluff to let the Reddie Roundballers know that they were behind them all the way.

Sig Eps have Student Senate President

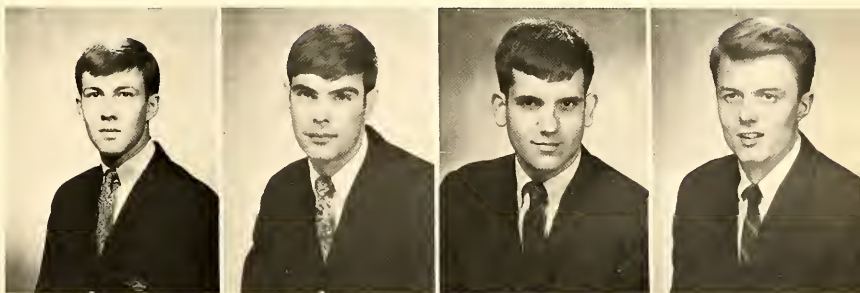

Arkansas Beta Chapter of Sigma Phi Epsilon was founded at Henderson on May 15, 1954. The fraternity was founded at the University of Richmond in 1902. Sigma Phi Epsilon feels that their members should be chosen from wide and varied interest. Every phase of the fraternity program and traditions use the heart as a background, such as the pinning ceremony seen on campus.

First semester the Sig Eps held the Roaring Twenties Party at their house, a Christmas party for underprivileged children, and their formal rush party in Hot Springs. The Swamp Stomp and the Sweetheart Ball highlighted the spring semester. Miss Linda Haney was named 1967-68 Sweetheart.

JACK SANDS SERVED as president of the Arkansas Beta Chapter of Sigma Epsilon. He is a senior from Gurdon.

ORGANIZATIONS

Star staff edits 1967 STAR

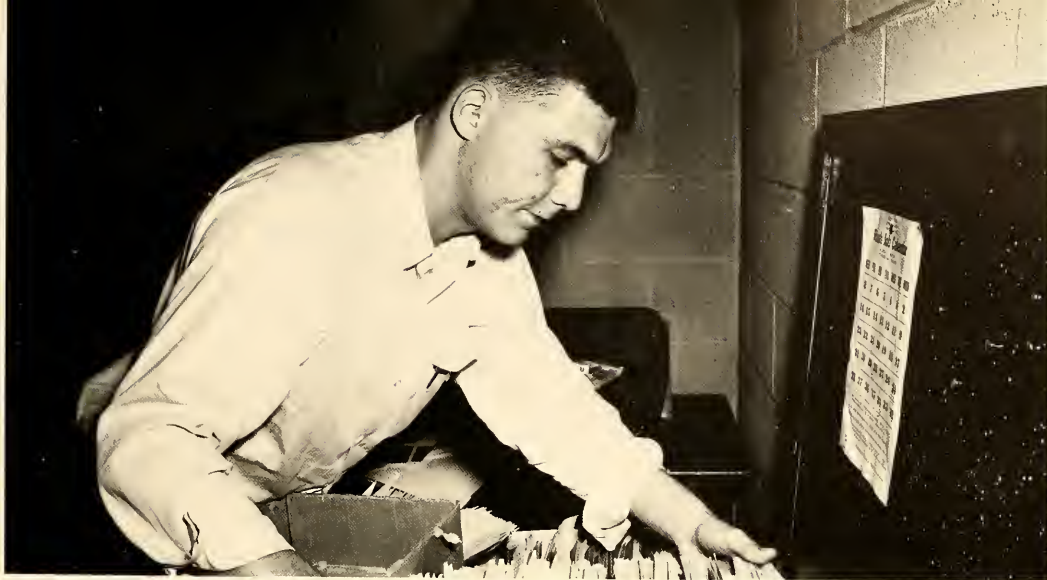

Pictures! Layouts! Copy! Cutlines! These are only a small number of things which go into the yearbook. Along with pictures, etc., go the unending moments spent in room 208 of the Student Union. The sounds of hammers, a television, a telephone, and the buzz of excitement and activity go into every page of the yearbook. These are things which no one but the staff members will remember.

The STAR staff was small—too small to edit a college annual but with the long hours put in by editor Sandra Pumphrey, and her few assistants, the staff is sincere when saying we hope the 1967 STAR has captured many memories for you of the setting of the book—Henderson State College, the School with a Heart!

DONNA ATWOOD AND Darlene Reynolds make sure that the page numbers of all pictures were listed correctly.

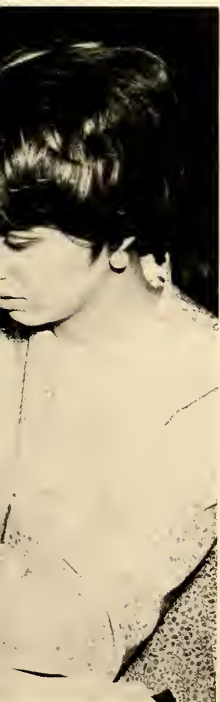

THE 1967 STAR was edited and compiled by editor Sandra Pumphrey.

MIKE MCALISTER, BUSINESS Manager of the '67 STAR looks disgusted as he tries to find a place where there are no pictures.

SPORTS EDITOR, ANDY Clawson, looks through basketball pictures in order to choose the clearest pics for the sports section.

SANDRA TRIES TO explain to staff members Sandra Haley, Ruth Perceful, and Jane Dansby why that horizontal picture can **not** be placed in a vertical layout.

METTA BOARD FILLED in as typist for the STAR when she wasn't busy in the Public Relations Office.

ANDY LOOKS ON in amazement as Sandra exclaims, "Andy! You cannot use a head like 'We tried.'"

"SOMEBODY THINK OF a headline!" yells Sandra as Jane Dansby contemplates an idea—how can we rid ourselves of that girl!

THE ACPA CONVENTION was held in Little Rock and was attended by Sandra Pumphrey, Sherry Smith, and Mike McAlister.

STEVE SAFFERSTONE AND Randy Russell, co-editors of the ORACLE, look over a past issue of the ORACLE in order to improve the next one.

MALLY SHELL, EDITOR of the column Here 'n There types a story for an ORACLE.

ORACLE takes two ACPA awards

TYPESETTING IS ONE of the jobs that Bill Husted performs for the weekly paper. He also serves as photographer.

The HENDERSON ORACLE is the college's weekly newspaper. The purpose of the paper goes beyond that of merely reporting the campus news, although this is a very important feature. The ORACLE has reached a more personal level with the students in communicating their ideas through features, editorials, and special columns.

The ORACLE staff begins on Sunday afternoon making plans for Friday's ORACLE.

Randy Russell and Steve Safferstone became editors at midterm and have brought honors to the paper.

BUSINESS MANAGER PETE Lane was well known for one ad in the paper—the add in which a new model from HSC appeared each week.

RHINE SEYMORE, SPONSOR of the ORACLE and the STAR, helps past editor Ben Vick set up the weekly paper. Mr. Seymore heads all school publications.

DIANE STEVENS USES the Life Magazine as a reference for food feature stories.

WILMA PICKETT, FEATURE writer, prepares her story for the weekly edition of the Oracle.

Kappa Delta Pi—An Honor Society in Education

Delta Pi Chapter of Kappa Delta Pi was installed at Henderson State College by Dr. E. I. F. Williams on February 19, 1938. It was founded to promote a closer bond among students of Education dedicated to the cause of teaching as a profession, thereby fostering higher standards of preparation. It invites to membership students preparing to teach who have attained excellence in scholarship and who exhibit worthy educational ideas, manifest desirable personal qualities and give evidence of leadership attributes.

Alpha Chi encourages scholarship

BOYCE DRUMMOND, a junior from Arkadelphia, President.

In 1915, a movement was inaugurated in Southwestern University, Georgetown, Texas, to encourage and to promote higher standards of scholarship among the undergraduate students by appropriate recognition of studious habits and by properly emphasizing the advantages to be derived from superior intellectual attainments. This co-operative movement resulted in the founding of Alpha Chi, an honorary organization of scholarship chapters of various colleges and universities in the nation. The Arkansas Epsilon Chapter was installed on Henderson campus in 1953.

The object of the Chapters is the stimulation, development, and recognition of scholarship and those elements of character that make scholarship effective for good. The colors of the Society are emerald green (signifying victory) and sapphire blue (signifying truth).

To be eligible for membership, a student must have a grade point average which places him in the upper ten per cent of the junior or senior class.

Heart and Key—Loyal to HSC

CARLEE ADAMS
President

JERRY DAVIS
Vice President

To develop the highest kind of Reddie Spirit, Dr. D. D. McBrien and Miss Amy Jean Green in 1950 founded the service organization of Heart and Key. Some examples of the activities it sponsors are debates, intramurals and music and art activities. It assists the Faculty Alumni Committee in caring for alumni activities; it sponsors Homecoming and Reddie Day, and also the cheerleaders and pep meetings.

Membership comes only to those working for the organization and Student Senate to earn points. This membership is limited to thirty persons, and vacancies are filled by three-fourths vote of the membership in October, February and May.

To see the development and steady strengthening of the student body's spirit, members encourage the giving of time and effort to insure this goal.

JANIE GUNDOLF

DALE PATRICK

MISS AMY JEAN Greene, sponsor of Heart and Key is the "leader of loyalty" at Henderson.

DISCUSSION IS underway concerning the concert which the Cyrkles presented at Ouachita. This event was sponsored by the HSC and OBU student senates.

Henderson Student Senate—the student's voice

RICHARD ALLEE served as president of the 1966-67 Henderson student body.

Paramount among the objectives of the Student Senate is the effective governing of student affairs. The Senate is called on to legislate on a multitude of subjects, ranging from organizational charters to resolutions reflecting the will of the student body.

Committee work is a primary responsibility of every Senate member. These committees deal with freshman orientation, after game dances, special movies, assembly periods, student elections, student radio programs, the Miss Henderson Pageant, big entertainment programs, and a host of other projects.

THE STUDENT SENATE works diligently to promote the growth and further development of Henderson State College—previously Henderson State Teachers College.

SNEA for

Education majors

The Amy Jean Greene Chapter of the SNEA is composed of students who have selected teaching as a vocation. Through its programs and activities, it seeks to acquaint its members with the history, ethics, and programs of the teaching profession. The Henderson chapter, organized in 1947, is one of the oldest in the state and assisted in the organization of the Arkansas Student Education Association and one of its members was the first president of the ASEA.

The chapter is in charge of the campus celebration of National Education Week in November each year. It observes April as National Teachers Month with a program and tea honoring the Henderson faculty, and a week of surprises and honors which is called "Be Kind to Teachers Week." The chapter also entertains the student-teachers with a tea each semester.

OFFICERS FOR SNEA are president, Paul Ingle; 1st vice president, Rick Riggs; 2nd vice-president, Mike Brady; historian, Bettie Miles; reporter, Martha McCown; and treasurer, Dudley Cryer.

STATE PRESIDENT BRENDA Wingfield goes over program for the SNEA Convention with one of the national officers.

Phi Beta Lambda has exciting year

Phi Beta Lambda, the college division of Future Business Leaders of America, is a national organization designed particularly for those students who are looking forward to careers in business administration and business education. The Henderson chapter of this organization became a charter member in October of 1960.

This business organization helps develop desirable leadership qualities, and it better prepares students for occupations in business and for teaching business subjects.

Phi Beta Lambda provides an opportunity for travel to state and national conventions and conferences. It also makes visits to other chapters and to business and industrial enterprises.

This year the club awarded Miss Stella Spoon, senior from Hot Springs, the outstanding Phi Beta Lambda member award at the annual awards assembly.

MARTIN BATEMAN SERVED as president of Phi Beta Lambda for the 1966-67 school year.

Colhecon prepares women for family life

COLHECON MEETINGS ARE held bi-monthly in the living room of Proctor Hall.

Colhecon is a club of Home Economics majors that is affiliated with the Arkansas and American Home Economics Association. One of the objectives of Colhecon is to develop and promote standards of home and family life that will further individual and social welfare. Colhecon also encourages group participation to create stronger bonds of fellowship among home economics students and to develop a professional attitude among them. The club advisor is Mrs. Juanita Lakey.

The club has one executive, one business, and one social meeting a month. They have various activities such as speakers, parties, and fashion shows. Some activities this year were the Freshman Welcoming Party, the Tea for Seniors, and the Christmas Party.

AWS coordinates women's activities

THE JUDICIAL BOARD hears cases sent to it by the house councils and helps coordinate AWS activities.

The Association of Women Students, acting as a coordinator of women's activities, includes all women students on campus through the residence hall officers and the elected AWS officers. The council meets on the second Tuesday of each month to carry on the business of the association. It works with the Dean of Women, Mrs. Bernice Smith, on regulations for residents and for the organization of local students. The executive council is made up of officers elected by the women students and it serves as the judicial board.

Some activities of the year include a tea for graduating seniors and "Penny Night" where a collection of money is taken for an overseas orphan. The honor dorm is sponsored by the AWS.

Two \$150 scholarships, Jo Carol McCorkle and Suzy Glover Scholarships, have been established by the AWS.

THE MEN'S COUNCIL held a meeting each Tuesday night at 6:00 p.m. in Smith Hall lounge.

The Men's Council, sponsored by Dean Beasley, is composed of the officers of Foster, Womack, and Smith, the three men's dormitories. Last year's Men's Council obtained permission to assume an active role in school affairs.

The council is devoted to the betterment of living and social conditions in the men's dormitories. The constitution of the council also states that it shall enforce dormitory rules and regulation. This council acts as a medium for the exchange of ideas between the College administration and the College men on the Henderson campus.

WRA offers many activities

BRENDA FAULKNER—President of WRA

The Women's Recreation Association is an organization whose purpose is to give the women students of Henderson an opportunity to participate in recreational activities.

WRA offers a great variety of activities for the girls on campus. The meetings are held twice monthly in Haygood Gym and all girls are invited to become members and share in the fun.

Among the recreational activities that the club participates in are basketball, volleyball, badminton, ping pong, paddleball and Danish ball gymnastics. WRA also sponsors the women's intramural program on campus in which women students take part in volleyball and basketball.

WOMEN'S RECREATION ASSOCIATION members and sponsors seem to be having fun. It looks as though a game of volleyball has been underway.

Circle K aids in registration

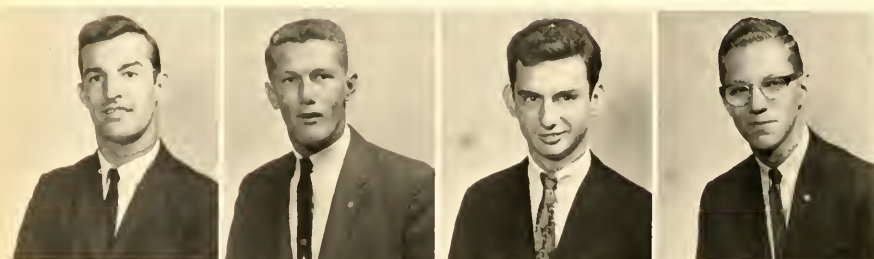

Circle K Club is an honorary service organization for men. The club was chartered on the Henderson campus during the 1963-64 school year. Arkadelphia Kiwanis Club fostered the project through the Reeves Committee for Circle K Clubs.

The Kiwanis Club motto: "We Build" is shared by the 575 Circle K Clubs throughout the United States and Canada. Circle K, an affiliate of Kiwanis International, is organized on local, district, and international levels. Henderson's Circle K is a member of the Missouri-Arkansas district, and Circle K International.

Various service projects are the primary concern of Henderson's Circle K. The annual Christmas Seal Drive and registration assistance are among the many projects of the club.

There are many socially rewarding events for the Circle K member. Among these are the bi-weekly dinner of the organization. Also, various Kiwanis events are attended by Circle K.

MISS PATSY THOMASSON, a sophomore from Rison, was chosen as Sweetheart of Circle K for the 1966-67 school year.

"H" Club promotes Reddie Spirit

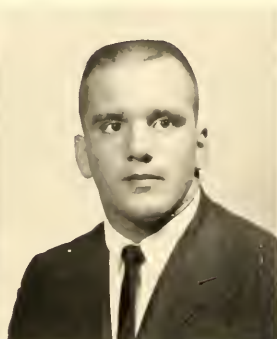

MEMBER PAUL BAILEY enjoys a game of chess with Rick Ferguson.

The purpose of the "H" Club is to promote school spirit and scholarship among all Henderson athletes and students, and to encourage a closer relationship between faculty and students in keeping with the athletic program. Exclusive in that only athletics who have earned two letters in the same sport may hold membership, this organization seeks to instill the meaning of Reddie Spirit and respect for the "H" monogram in all HSC students.

The club sponsors an All-Athletics Banquet in April of each year. All persons taking part in any form of athletics on campus are invited to attend this banquet.

"H" Club members are under the guidance of Coaches Wells, Sawyer, Berry, and Dyer.

Panhellenic Regulates Sorority Activities

A closer unity among the sororities and a more vivid awareness of working for everyone have been the goals of the Panhellenic Council. This spirited group has done much in co-ordinating the sororities. The Council works constantly to solve problems confronting all phases of Greek life and proved to be a successful central governing body.

THE SPOTLIGHT CASTS a dim light on Don Harbor as he sings a part of John Brown's Body. This play was taken on tour after it's presentation at HSC.

Masquers promote drama at HSC

The oldest known organization on the Henderson campus, Masquers is a combination of those people who are responsible for the success of all major Henderson stage productions. The Masquers and speech department work together in presentation of the plays. Both the casts and crews for these plays are Masquers members. Masquers crews help with lights, make-up, properties, costumes and sound effects.

This organization's purposes are to teach interested students how to coordinate incidentals necessary for presentation of plays, to promote interest in dramatic activities on the HSC campus and to bring together students with a common interest in drama.

THE CAST OF John Brown's Body consisted of Vicki Williams, Becky Casteel, Don Harbor and Eddie Shirron.

BECKY CASTEEL was a member of the cast of *Tartuffe*, which was presented at Henderson in December.

BEHIND THE SCENES work was done in part by Sylvia Carter, who helped make the costumes for *Tartuffe*.

Theta Alpha Pi promotes dramatic arts

RICK RIGGS
President

DUDLEY CRYER

Theta Alpha Phi is a national honorary fraternity of the theatre arts. The purposes of the fraternity are to increase interest, stimulate creativeness, and foster artistic achievement in all of the allied arts and crafts of the theatre.

The fraternity gives recognition to those students who have made worthy efforts in plays staged on campus. Membership is selected from students who fulfill the rigid requirements and are elected by a board composed of the members. A point scale is used for determining eligibility for membership.

THE VETERANS CLUB met twice a month in the conference room of the Student Union. This organization held ceremonies on Veteran's Day and Memorial Day.

Veteran's Club—fellowship for vets

DON SMITH
President

ED GORMAN
Secretary

In 1963, the Veterans Club was organized on Henderson's campus. It was organized to provide a social club for those students who have served in any branch of the Armed Forces and have common interest in that field. A few of the purposes of the club are: promotion of interest in the ROTC program, of patriotism and respect for the flag.

The Vets Club showed an interest in HSC activities this past year. The organization gave an annual award to the Best Sophomore Cadet during the ROTC awards Day, and also participated actively in intramurals.

The club meets bi-monthly in the Student Union Conference Room, and all ex-military men are invited to attend the meetings.

BSU Members develop spiritually

The purpose of the Baptist Student Union is to help the student to develop spiritually as he develops in other areas. Through experiences in Christian service, he develops all of his personality and becomes a whole person.

DOUG PERRY
President

THE NEW BAPTIST Student Center provided a place of worship and a place for fun and relaxation for any Henderson student. A wedding was performed in the chapel in May.

WESLEY FOUNDATION MEMBERS relax in the lounge.

MANY STUDENTS worship in Wesley each week. Susie Poole, Jeanette Love and Judy Dozier worship in song.

Wesley Foundation—worship, service, recreation

Located at 316 North 11th Street, the Wesley Foundation is a unit of the national Methodist Student Movement—it is the church's answer to the ministry of college students in the campus community.

There is no formal membership. The building is open everyday except Monday and anyone is welcome to come for study or fellowship. The Wesley Foundation is concerned with the areas of education, worship, community service and recreation—its program reflects this concern.

The Wesley Foundation owns a bus which will seat approximately 40 people. On November 5, it carried twenty students to the Benton State Hospital where they visited with the patients and discussed what they could do for the program at the hospital. They also took a truck load of clothing which had been gathered from the citizens of Arkadelphia. On November 17, the bus carried twenty-five people to a performance of "Hello, Dolly" in Little Rock. This was some of their program in community service and recreation in action.

WESLEY FOUNDATION student center is located on North 11th Street. Wesley is more than a place for worship. It is a place for relaxation.

WITH HEADS BOWED, members of the Wesley Foundation show that they must worship along with attending college.

THE PATIENTS IN the Clark County Rest Home receive much enjoyment from the visits of the Chi Alpha members as shown by the lady smiling to Patsy Knighten.

Chi Alpha — Time for worship

Chi Alpha provides for each of its members Christian training, opportunity of worship, evangelism and fellowship. The campus chapter is chartered by the College Youth Division of the National Christ's Assemblies of God as a local chapter of the Chi Alpha organization.

In the spring of 1964, the Gamma Zeta Chapter of Chi Alpha was organized on the campus of Henderson. The meetings of the group are bi-monthly and allow students to participate in discussion groups, prepare for campus activities and hear guest speakers.

Chi Alpha members make regular visits to Clark County's rest home and hold church services there for the old people.

SONG OF PRAISE ring out to the patients in the Clark County Rest Home located in Arkadelphia

BETSY WESTLAKE IS the speaker for this meeting of the Socioloty Club. Dr. Lynch, sponsor, sits back and relaxes because he isn't having to lecture.

Sociology Club—new at HSC

NEW OFFICERS selected for the 1967-68 school year include Carl White, president; Betsy Westlake, vice-president; Darlene Reynolds, secretary; Donna McCallister, treasurer and Dale Warnix, reporter.

PRs play vital role in ROTC program

PERSHING RIFLE staff consisted of (first row) William Kirkpatrick and Kenneth Kraft. Second row: William Ryan, Rex Gerlinger and Eddie Shirron.

"To foster a spirit of friendship and cooperation among men in the military department and to maintain a highly efficient drill company" is the purpose of the Pershing Rifles as stated by its distinguished founder, John J. Pershing, professor of military science at the University of Nebraska in 1894. From this early beginning emerged a national organization which today has units located in every state in the union.

Company S-7 was chartered on Henderson's campus in 1958 and has played a vital role in Henderson's ROTC program.

CADRE OFFICERS review the HSC cadets.

MISS SARAH O'KELLEY served as Pershing Rifle Sponsor for the 1966-67 school year.

WILLIAM KIRKPATRICK and sponsor Sarah O'Kelley lead the Henderson State Pershing Rifle unit.

THE HENDERSON STATE ROTC Brigade Color Guard

MEMBER OF SCABBARD AND BLADE include, *first row, left to right*, H. Whitmore, D. Campbell, J. Gilliam, R. Cecil, M. Allen, Major Porter, L. Witherspoon, L. Richmond, D. Loftin, S. Smith, L. Browning, L. Roherson, W. Prothro, and D. Thompson. *Second*

row, left to right, B. Connell, D. Parker, N. Young, J. Jones, D. Reed, D. Leopoulos, P. Walker, M. Simpson, R. Scott, B. Goldsby, B. Husted and L. McDaniel.

Scabbard and Blade sponsors Military Ball

Scabbard and Blade is a national society of men who are in the advanced course of military science in their colleges or universities, whether Army, Navy or Air Force ROTC. The Society was founded in 1905 by five young cadet officers at the University of Wisconsin. From that beginning, Scabbard and Blade has grown to more than 100 companies and 120,000 members.

Believing that military service is an obligation of citizenship, and that greater opportunities afforded college men for the study of military science, places upon them certain responsibilities as citizens, to preserve and develop the qualities of good and efficient officers is our aim, to prepare ourselves as educated men in military affairs is our goal, and to spread intelligent information about military requirements is our duty.

Company G, 15th Regiment, at HSC was formed in May of 1963. To obtain membership a cadet must show outstanding military bearing and knowledge and be above average academically.

CADET COL. MIKE Allen, Col. Walker and Cadet Lt. Col. Dave Loftin are trooping the line during Federal Inspection.

BRIGADE STAFF: *First row:* Cadet Col. Mike Allen and honorary cadet col. Carol Casey, *Second row:* Cadet Lt. Col. Dave Loftin, Cadet Major Steven Roberts, Cadet Major Mark Godwin and Cadet Major

Thomas McDaniels. *Third row:* William Chitwood, Randy Russell and Ronnie Addington. *Fourth row:* Jim Jenkins, E. C. Gilbert and Jim Buck.

CADRE OFFICERS: *First row, left to right:* Maj. Frank Stewart, Maj. Robert Marsh, Lt. Col. Joseph Spinelli, Major Leo DiValentino and Major Royce Porter. *Second row:* Sgt. Alfred Lynch II, Sgt.

John Fitzgerald, Master Sgt. Harold Stagers, Capt. William Robertson and Capt. James Nelson.

Counterinsurgency and Counter guerrilla company

CADET CAPTAIN George Dykes watches while visiting officers inspect the rifle of one of the members of the cadet corp.

The Counterinsurgency and Counter guerrilla Company has been established at Henderson during a period when active Communist governments are attempting to conquer free countries throughout the world by aggression.

It came into being primarily for the purpose of training college men in various aspects of counterinsurgency and counter guerrilla operation.

The training received by the student better prepares him to participate as part of the military team and be a more informed citizen in his community.

MEMBERS OF THE counterinsurgency and counter guerrilla company include, *first row, left to right:* Major DiValentino, G. Dykes, P. Holloway, D. Leopoulos, B. Mackey, W. Ryan, J. Gillham. *Second*

row: R. Jones, R. Nunn, O. Dial, P. Rhodes, T. Griffin, H. Taylor. *Third row:* W. Park, J. Jenkins, R. Miller, J. Outler.

THE COLLEGIATE CHOIR, directed by Eugene Kuyper, prepared to present one of its many concerts performed this year.

Choir presents Christmas, Easter Concerts

The Henderson Collegiate Choir, under the direction of Eugene Kuyper, is composed of all students interested in vocal music who wish to join. The two main attractions of the Choir are its Christmas and Easter concerts.

HOURS AND HOURS of practice are required to make a good choir an excellent choir.

Madrigals provide outstanding music

The Madrigals, under the guidance of Eugene Kuyper is one of the state's superior a cappella singing groups. In addition to performances in various Arkadelphia clubs, selected students represented Henderson by making numerous trips to cities throughout Arkansas.

The Madrigals sing several different types of music, but they are most noted for the type of song they were named after—the madrigal. Madrigals can be composed about almost anything, ranging anywhere from religion to card-playing.

THE MADRIGALS PERFORM at a concert in the Fine Arts Building. The group is a very professional one. Appearances are made with the men in tuxedos and the women in long black formals.

FORTUNE TELLING WITH cards brought about expressions of dismay and bewilderment in this scene from the "Marriage of Figaro."

Opera workshop presents 'Marriage of Figaro'

Opera Workshop is an organization open to all students interested in the history, production, and performance of opera. Practical experience in these fields gives the participants technical knowledge, opportunity to perform, and a better understanding of opera.

The group this spring presented a highly successful production of "Marriage of Figaro" by Mozart. After its performance on the Henderson campus, it was presented in Little Rock.

The group is under the direction of Ann Priest Chotard.

BECKY MATTHEWS laughs with amazement as she tries to "buckle up " Lydia Duckett.

YRs experience "growing fever"

TOMMY DILLARD, Chairman

The recently established "majority" party of Arkansas has infected the Henderson campus with the "growing fever." The Henderson Young Republicans have doubled in membership since last year. The activities of the year including programs presented by prominent GOP leaders Jerry Thomasson and Ed Allison, slides by speech department chairman, Kelmer Baxter; and a jointed sponsored YR-YD forum on gambling.

The YRs sent 14 delegates to the state convention in Little Rock. Sam Watkins, past Henderson YR chairman was re-elected state treasurer. Kitty Allen was selected first runner-up in the state Miss YR contest. Five members of the delegation were among the top six outstanding Young Republicans in the state.

The YRs are participating in the Americanism Award Program. A major highlight of the year was the appearance of Lt. Gov. Maurice Britt on President's Day.

THE YOUNG REPUBLICANS were jubilant when their party candidate was elected as Governor of the State of Arkansas.

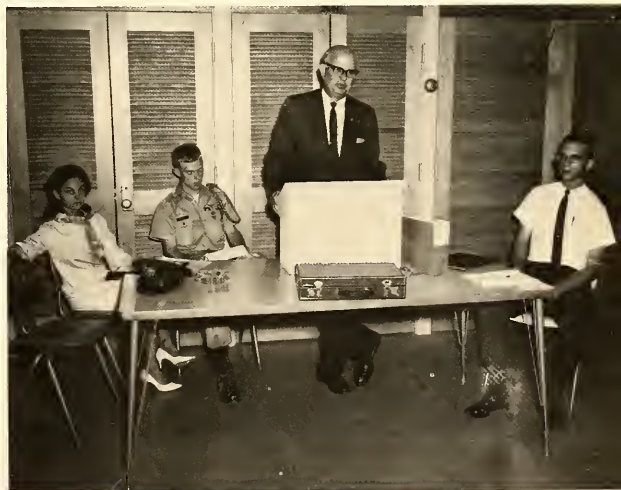

THE YOUNG DEMOCRATS worked hard for the betterment of political organizations on campus and around the state.

Young Democrats make voice heard

A wise old philosopher once said, "most Arkansans lead quiet, peaceful lives, others are Young Democrats." Henderson Young Democrats were no exception during the 1966-67 school year when they established "Reddie Democracy" a moving force in campus and state politics.

The HSC YDs once again returned from the state convention with awards and the powerful offices of the state executive committee. The eager Young Democrats, many of them new to the political scene in Arkansas Young Democrats, and a few veterans of last year's campaign, managed once more to let their voices be heard on the state YDC scene.

Patsy Thomasson was selected as Miss Arkansas Young Democrat, Jim Lassiter was elected as the state high school vice-president, Randy Russell as a delegate at large for the state and Terry Griffin was re-elected to the State Executive Committee as Executive Committeeman at Large.

VARIOUS SPEAKERS from around the state attended the meeting of the Young Democrats.

THE COLLEGIANS HAVE performed in many cities around the state of Arkansas. Mr. Wendell Evanson is the director.

The Collegians—Among the nation's best

PRACTICE MAKES PERFECT. This is true of any organization—not just a band.

The Collegians, under the direction of Mr. Wendell Evanson, is considered to be one of the finest stage bands in the nation. Stage band is a laboratory experiment for students in playing studio band work, including studies of all forms of jazz. It provides a background for television, radio and other forms of professional playing.

THE PEP BAND played for all pep rallies to help cheer the Reddies on.

THE CONCERT BAND held many performances in Arkansas Hall. This band is under the direction of Mr. Wendell Evanson.

1966-67 Reddie Marching Band

The Henderson State College Marching Band, under the direction of Mr. Wendell Evanson, attended football games at Arkansas Tech and State College of Arkansas as well as helping to keep things live at the four home games.

The Marching Band plays a major role in boosting Reddie Spirit by providing music for pep rallies, by presenting halftime entertainment at football games and by taking part in the annual homecoming parade.

SIX HAPPY, PRANCING majorettes lead the Reddie band in the 1966 homecoming parade.

THE MUSIC PRODUCED by the band brings cheers of victory from the cheerleaders.

'A TASTE OF HONEY' was the background music for this dance routine by the majorettes.

A SATURDAY AFTERNOON football game between Henderson and Arkansas A and M brought the band marching down the streets of Arkadelphia.

THERE SEEMS TO be no time for rest for Head Coach Jim Mack Sawyer, not even at this meager breakfast.

BOBBY AGEE MAKES a tackle and Ladell Farley picks up an assist against an Arkansas Tech Wonder Boy.

THE 1966 REDDIE seniors were (first row) A. Tollett, R. Roark, and J. Goode; (second row) B. Agee, L. Farley, G. Robey, and G. Worthington.

Seniors lead Reddies through rough season

Reddie foes displayed an uncanny flair for the big play in critical situations and saddled the Reddies with a record (1-8) that looked much worse than they did on the field.

In almost every one of the Reddies' eight setbacks, which delegated them to the AIC basement for the first time in years, a key long gain turned the game.

MISSISSIPPI COLLEGE 23, HENDERSON STATE 13: For 30 minutes, the new season looked great but in the final half, the big play parade began. It was the Reddies who came up with the big play first in this one. Walt Lowe hooked up with standout end Guss Robey for 53 yards to set up the first score of the game. Alan Tollett scored it from a yard away and later ripped seven yards for the touchdown that gave the Reddies a 13-7 halftime lead. But then a Mississippi College bombardment brought the Choctaws back. A 51-yard aerial set up the tying TD and a 57-yard sprint by half back Billy Ray Dill set up the field goal which gave MC the lead for keeps.

AUSTIN COLLEGE 13, HENDERSON STATE 6: Austin hit the Reddies with the big play early this time. After a 39-yard return of the opening kickoff enabled AC to start at the Reddies 42. A 40-yard scoring strike on the second play from scrimmage got the Reddies down early. Another long TD pass, this time covering 42 yards, midway in the third period provided what turned out to be the winning tally. Robey made a fine catch of a 29-yard pass by Tommy Hart in the end zone for the HSC score.

SOUTHERN STATE COLLEGE 42, HENDERSON STATE 13: A fumble and a blocked punt early in the game handed SSC a touchdown and a safety and left the Reddies facing an uphill battle. They never made it and dropped their first conference test of the season. Late in the opening stanza, a 39-yard pass provided the Muleriders with a 15-0 cushion. The second quarter belonged to the Reddies and they battled back to 15-13 at the half. But the Riders hit the Reddies with a aerial bombardment early in the second half. They scored twice in the first five minutes and broke it open 28-13.

FLORENCE STATE 28, HENDERSON STATE 20: The big play this time was a key pass interception in the final five minutes of the game. The Reddies had scrambled back from a 21-6 deficit to close the gap to 21-20 and were marching again in the final minutes of play. A Reddie receiver fell on a pass return and the pass was picked off at the Florence 20 and returned to the HSC 40. The Lions went from there to the clinching touchdown.

COACH CLYDE BERRY goes over the 'do's and don'ts' of the first half with his defensive unit during the State College of Arkansas game.

The bomb hurt the Reddies

ARKANSAS A & M 17, HENDERSON STATE 7: A & M won this literally by a matter of inches. Midway in the third period, A & M's Jim Callaway toed a 34-yard field goal that barely made it inside the right upright and shoved the Weevils on top, 3-0, breaking up a fierce scoreless battle. Later in the third period, Henry Wingard gathered in Gary Tate's pass just before stepping out of the end zone and A & M had a 10-0 lead and its margin of victory.

ARKANSAS TECH 19, HENDERSON STATE 7: Fumblitis struck the Reddies no less than six times as the Wonder Boys dealt HSC its sixth consecutive setback and eliminated the Reddies mathematically from title consideration.

HENDERSON STATE 24, HARDING 13: Reduced to a spoiler's role, the Reddies wasted no time doing a little spoiling as they dropped Harding College from the ranks of the title aspirants with a 24-13 triumph. The Reddies hit for two quick touchdowns in the first ten minutes of play and never looked back as they posted their only victory of the season.

STATE COLLEGE OF ARKANSAS 19, HENDERSON STATE 7: State College of Arkansas' three time All-AIC quarterback Bobby Tiner was the key in this one. He ran two touchdowns and passed for the third and personally accounted for 174 yards. The Bears owned a 19-0 lead before the Reddies began to move in the final quarter. But it was too little too late.

OUACHITA BAPTIST UNIVERSITY 33, HENDERSON STATE 21: The Reddies gambled twice deep in their own territory, lost both times, and dropped a fiercely fought decision to arch rival Ouachita in the homecoming encounter which closed the season. Early in the third period, the Reddies were clinging to a one-point lead when they chose to gamble on a fourth and no more than an inch situation. They failed to make it and OBU took over and scored on the first play to go on top to stay, 20-14. The Reddies cut it to 26-21 in the latter stages but when forced to gamble again inside their ten with time running out. They lost again and Ouachita took over and scored again to put it on ice.

OFFENSIVE UNIT GATHER around Coach Sawyer to rewrite their strategy.

COACH CLYDE BERRY puts his defensive unit through their final step before the big game on Saturday.

ON THE REDDIES best night against Harding everything worked on the ground and in the air, as displayed here by Paul Wilbur, sweeping end for the 1966 Reddie football team.

THE REDDIES' LONE victory came on a cold November night by defeating the Harding Bisons 24-13.

Reddies salvage season with victory

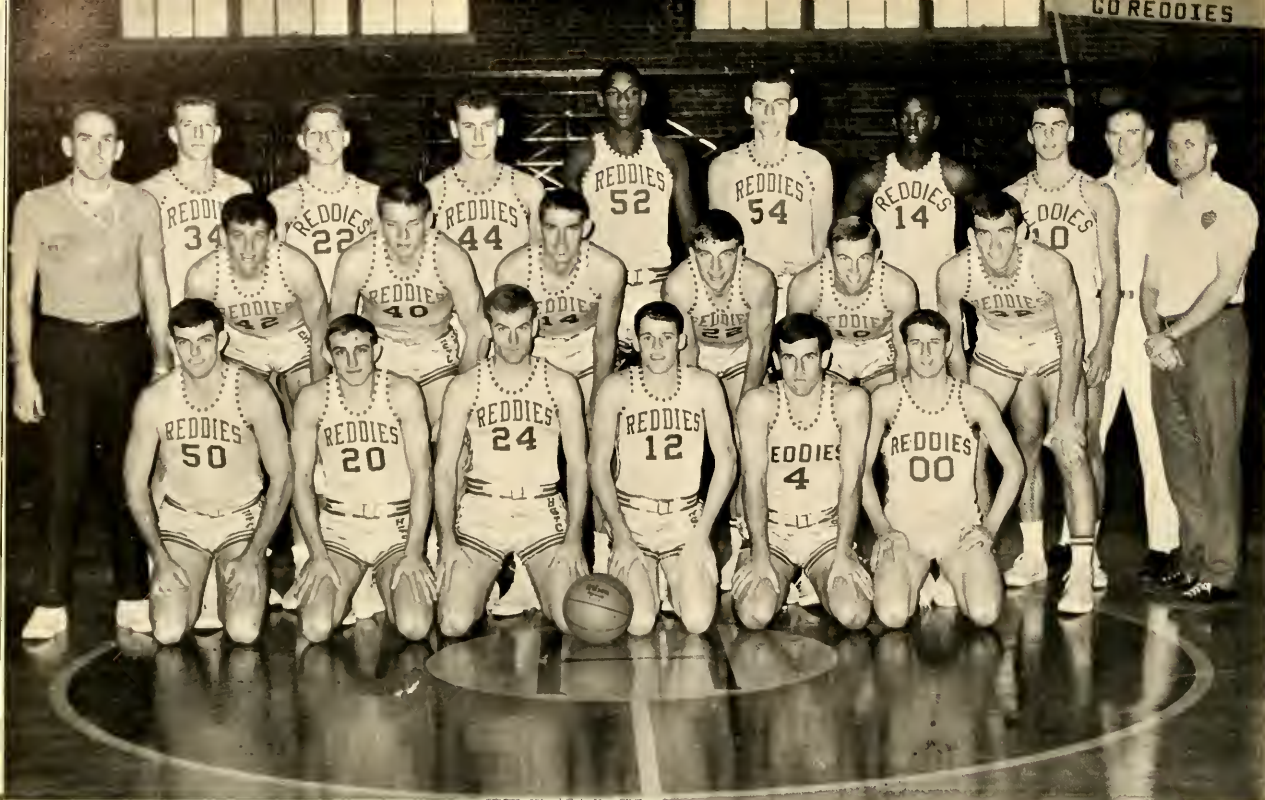

The 1966 Henderson State College Reddie football season is over. The records showed defeat, merely a number on the scoreboard. Each game can be and is used to work harder, longer, and strive for a better game next time, just as this season will be used to improve the tactics for next year's season. The students of Henderson do not look down on these players for a season of defeat. They appreciate the efforts put forth by the team, the coaches, and all others concerned. We, the students, are looking forward to a new year, a new season, and a new Reddie team and the worth of an effort to try harder.

ARKY FLOYD AND Jimmy Hill lead the fighting Reddies on the field through the traditional victory line.

Basketball

First row, left to right: J. Witherington, H. Langley, R. Stephens, D. Wayne, J. Doyle, D. Dunlap. Second row: J. Peppers, A. Brown, R. Fisher, L. Wood, N. Boyd, and W. Cruthis. Third row: Assistant

Coach D. Passmore, C. Mize, R. Barantine, D. Oates, L. Ducksworth, K. McCool, P. White, Trainer A. Clawson, and Head Coach D. Dyer.

THE STARTING FIVE, that lead the Roundballer to more than a successful season, leave the court after being introduced before the starting tip off.

Success became the Roundballers middle name

After a slow December start, Henderson State charged back to distinguish itself as one of the finest Reddie quintets ever fielded. Among the high water marks hit by the 1966-67 edition of the Reddie Roundballers were:

1. The 20 victories were the most posted by a Reddie team since World War II.

2. The team reached the finals of both the AIC Holiday and the post season tournaments for the first time ever.

3. The third place finish was the highest by a Reddie club since a 1957-58 Co-championship.

4. They eclipsed the 100 point mark twice during the season, a feat they had performed only once previously.

A 6'8" freshman named Larry Duckworth, who quickly made his name a household word around the AIC, virtually rewrote the Reddie record book. He led the conference in both scoring and rebounding, putting in 23.5 points per contest and pulling off an average of 13.5 rebounds per game, both all-time bests for an AIC freshman performer. The freshman sensation established one AIC single game record when he poured in 56 points in a game with College of the Ozarks. His 25 field goals (in 28 attempts) was a new mark.

ASSISTANT COACH DALE Passamore and Head Coach Don Dyer lead the Redmen to an exciting and successful season.

Redmen feverishly strive for AIC Title

ANDY CLAWSON spends all the time possible with "my boys", as he refers to the Reddie roundballers. Andy has been trainer for the basketball team for two years.

WITH HIS EYES on the clock and his boys all around him, Head Coach Don Dyer determined last minute strategy.

Bench—Big Asset

JIM PEPPERS, HUBERT Langley, and Albert Brown seems to have this situation well in hand against Southern State in the AIC Tournament.

The Reddies were far from a one man team. Hubert Langley, the smallest 5'10" senior guard, won several games with his last second heroics and firmly convinced Reddie fans that there wasn't a better guard to be found in the AIC. The squad's other veteran senior, Jim Peppers, broke open a number of games with his long, high-arching jumpers from the corners. Junior college transfer Rick Stephens, the third senior, was a top ball handler and playmaker. Another JC transfer, Albert Brown, started slowly, but after the Christmas break, became a consistent double figure scorer and big asset on the boards. Soph Lou Wood, the sixth man, came off the bench several times to spark a Reddie triumph.

Further bench strength was provided by the likes of Eddie Peppers, Nicky Boyd, John Witherington, Ricky Fisher, Darrell Oates, Alvin Futrell, and Donald Wayne.

A slow start which saw the Reddies drop three of their first five in conference play left the Redmen facing an uphill battle in their quest for the league throne room. However, after the Christmas break the Reddies posted 10 AIC triumphs in 13 tries, a mark topped only by champion Southern State.

Southern State whipped the Reddies 74-63 in their conference lidlifter in Day Armory. The Redmen dropped a second consecutive league tilt on their own floor as arch rival Ouachita held off a late surge and prevailed 66-63.

Rick Stevens

Donald Wayne

John Witherington

Roundballers No. 1 at HSC

The Reddies climbed back to the .500 mark with road wins over Ozarks and Arkansas College before State College of Arkansas ran the HSC home court losing string to three in a row. Thus the Reddies finished the pre-Christmas portion of their slate with a mediocre 2-3 league record and were 4.5 overall.

But they began to turn things around in a marathon week which saw the Reddies play five games in five nights in two tournaments during the final week of 1966. They copped four victories in a row before weariness and Northeast Louisiana stopped them in the finals of the AIC Holiday Tournament.

The Redmen had posted wins over Hendrix (78-69) and Arkansas A & M (91-72) for the championship of the Kiwanis Invitational at Pine Bluff. They moved to Magnolia and reached the finals by knocking off the two teams rated at the top in AIC meet—Sam Houston State (87-86) and Southern State (78-69).

Resuming league activity after the two week Christmas recess, the Reddies copped three straight and dealt themselves back into contention. However, Southern State broke on top in the final three minutes to gain a 78-72 decision in a showdown at Magnolia and Ouachita upset the Redmen, 76-69, to virtually eliminate the Reddies' title hopes.

The Reddies rebounded to put together two more three-game league winning streaks, sandwiched around an upset 77-67 setback at the hands of Harding.

After drawing a first round bye, the Reddies rebounded from a 15-point first half deficit and knocked off independent John Brown University 86-81 in the quarterfinals of the AIC post season tournament at Pine Bluff. In the semifinals, the Reddies blazed in 67 per cent of their shots from the floor and outran State College of Arkansas, 103-95.

EAST TEXAS BAPTIST 81, HENDERSON STATE 69: First game jitters and a 28-point night from an ETBC frosh combined to kick off the Reddie season on a sour note. Brown led the Reddies with 21 and Ducksworth added 16.

HSC 91, ETBC 84: A red-hot Jimmy Peppers bombed in 31 points and Ducksworth provided 26 points as the Reddies avenged the opening setback in the opener of a Thanksgiving doublehead at Ouachita.

HSC 61, LRU 60: Both teams scrambled a cold shooting night but the Reddies managed to scramble past the Trojans behind the 20-point efforts of Peppers.

SSC 74, HSC 63: The defending champion Muleriders got balanced scoring from their experienced hands and opened defense of their title with a win. The Reddies tied it on three occasions midway in the second half but could never gain the upper hand.

CHARLIE MIZE SCRAMBLES for loose ball as Hubert Langley stands by if help is needed. The Redmen zipped by Hendrix, 96-80.

HONORABLE MENTION ALL-American Hubert Langley exhibits his speed and quickness as he strains for a basket on a fast break.

CO-CAPTAIN JIM Peppers shows why he was known to have one of the best jump shots in the AIC.

Reddie cagers finish 3rd in conference

LOUISIANA TECH 89, HSC 66: Playing without Ducksworth, the Reddies still managed to give the taller Techsters a battle for a while before the big height advantage began to tell and the Bulldogs pulled away.

OUACHITA 66, HSC 63: The arch rival Tigers put together one of their better efforts to up end the Reddies. OBU gained a first half advantage and then held off a late Reddie surge to claim the win. Ducksworth 24 points led HSC while Robert Cornelius hit 25 for the Baptists. Jim Peppers was injured going for a loose ball in the first half and was forced to set out the final 20 minutes.

HSC 92, OZARKS 86: Ducksworth bombed the Mountaineers with a record-tying 56 points as the Reddies gained their first league triumph. Despite Ducksworth's performance, Ozarks kept the Reddies looking over the shoulders until the final buzzer.

HSC 80, ARKANSAS COLLEGE 57: Hubert Langley (22) and Ducksworth (20) led the hot-shooting Reddies to a second straight win and evened their league mark. HSC broke it open late in the first half and coasted most of the final period.

SCA 70, HSC 67: Inability to cash in on free throws in the later stages cost dearly in this one. Twice in the final two minutes, the Reddies had the opportunity to gain the lead at the charity stripe but was unable to cash it in.

REDDIE SPEEDSTER ON the court, Donald Wayne coils for the strike against an Ozarks ball handler. Redmen scooped the Mountaineers 84-65.

JOHN WITHERINGTON CAN'T seem to get out of the way as all the balls come through the goal.

That was the week that was!

JOHN WITHERINGTON MAKES a last ditch effort to gain control of this defensive rebound. Southern State fought pass the Reddies 72-67.

LOU WOOD CAUGHT SSC's zone sleeping as he drives in for an easy basket. Lou proved himself to be the best sixth man in the conference.

HSC 78, HENDRIX 69: The Reddies began to find themselves as they knocked off red-hot Hendrix, off to a 5-0 league start, in the Pine Bluff Tournament.

HSC 91, ARKANSAS A & M 72: The Reddies earned the PB meet title with this first of three triumphs over the Weevils. The Reddies gained the upper hand late in the first half and by the middle of the second half were coasting.

HSC 87, SAM HOUSTON 86: Langley maneuvered his way inside to put in a six-footer with three seconds left to turn heartbreaking defeat into a thrilling victory in the first round of the AIC Holiday meet.

HSC 78, SSC 69: The Reddies broke from a half-time tie and upset the Riders to gain a spot in the tourney finals. Duckworth's 34 points and 19 rebounds led the way.

NORTHEAST LOUISIANA 76, HSC 70: Weariness of five games in five nights and a torrid second half by Northeast caught up with the Reddies as they lost a 10-point halftime lead and a shot at the second tourney title in a week.

HSC 72, ARKANSAS A & M 67: Again the Reddies were forced to withstand a late cold streak but they had a big enough lead to hang on. HSC owned a 16-point lead before a four-minute scoreless streak enabled A & M to get back into it.

YOU HAVE TO be a winner before you can know the hurt of defeat. Jim Peppers shows this by the expression on his face. Southern State defeated the Redmen in a hard fought battle in the AIC finals.

SPRING SPORTS

Hardballers have sluggish season

A season long batting slump plunged the Henderson State baseballers. AIC champions only two years previously, into the league basement.

The Reddies were able to post only six triumphs in thirty tries and won only twice in conference play compared to ten setbacks.

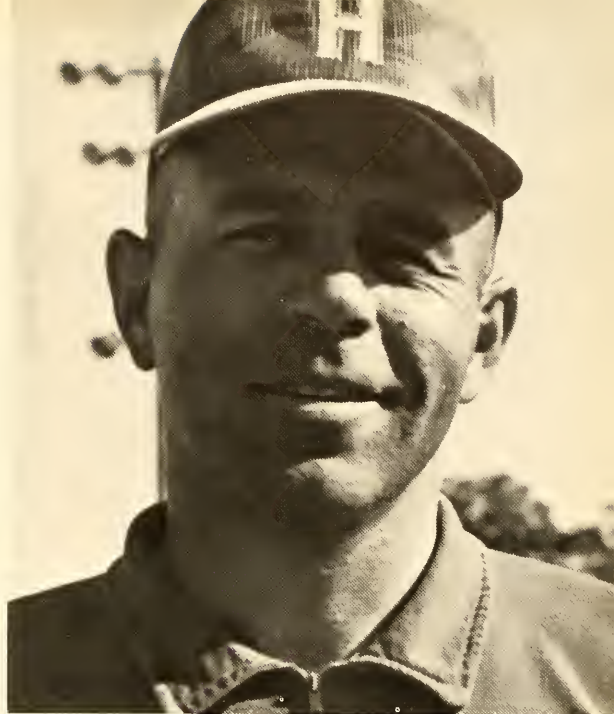

Both of the AIC wins came in mid-April when Arkansas Tech fell to the Reddies in both games of a double-header at Arkadelphia. That easily provided the brightest spot in an otherwise dim campaign.

The Reddies came up with a run in the ninth inning in the opener to back Ronnie Green's fine mound job for a 2-1 triumph. In the nightcap, Danny Williams slammed a grand slammer, one of two he hit during the season, the Redmen put together another six run frame and coasted, 13-0.

The double win pulled the Reddies back into contention, 2-3, in the AIC, but they were not to win again in league play.

Their other triumphs came at the expense of Little Rock University, three times, and East Texas Baptist College.

COACH CLYDE BERRY, head baseball coach and assistant football coach this year, has been appointed to head the football staff for the 1967-68 season.

First row, left to right: Donnie Manning, Randy Guynes, John Beverburg, Ronnie Deaver, Randy Henry, Rufus Tallent, Wayne Campbell, Sidney Davis, Bill Traylor. Second row: Ronnie Ingram, Ronnie Green, Adrian Messina, Buddy Jordan, Danny Dunlap, Sam Smith, Mike Curry, Russ Fullerton, Lou Wood. Third row: Coach Clyde Berry, Jerry Jeffries, Danny Williams, Tommy Riggan, Doug Clanton, Bobby Altom, Floyd Marshall, Dick Powers, Don Powers, Stow Delone and Walt Lowe.

STARTER FLOYD MARSHAL gets the signal.

THE FOLLOW THROUGH

WAYNE CAMPBELL TAKES the throw trying to put the tag on a Ouachita Tiger.

Hitting Big Problem

AFTER THE LAST game was over Coach Berry called all the boys together. There seemed to be a black cloud over this group.

SAMMY SMITH SWINGS level and connects for a base hit.

1966-67 RIFLE TEAM and their trophies are left to right: Bill Ryan, Richard Spence, Danny Gray, Kenneth Hargrove, Sgt/Maj Bell, Coach, Boyd Goldsby, Larry Winters.

Best In The State

The Henderson State Rifle team continued its almost complete domination of the Arkansas Collegiate Rifle League and added more and more out-of-state Laurels to their trophy case.

The Reddies complete their third consecutive undefeated season in the ACRL, running their current winning string to 31 matches in a row. The title was their fourth consecutive.

Besides the ACRL crown, the Reddie riflers captured the Fourth U. S. Army Northern Area championship for the second straight year and the Fiestra Rifle championships held at St. Mary's University in San Antonio, Texas. In addition, the Reddies were fourth in the Fourth U. S. Army championships and third in the National Rifle Association Sectional match at Baton Rouge, La.

During the out-of-state competition, the Reddies ran into competition like Louisiana State University, Tulane and Oklahoma State University but were undaunted.

SERGEANT MAJOR BELL displays one small table of the trophies won by his riflers.

Track on the up swing

POLE VAULTER "extraordinaire" Ronnie Thornton proved himself to be one of the best in the AIC.

Coach Charlie Donaldson's trackmen wound up fifth in the AIC track meet with 23 points but the Reddie thinclads copped a pair of victories.

Elwood Brooks, the senior hurdler supreme, captured the 120-yard high hurdles in 14.5, only one-tenth of a second over the conference record. Freshman Jamie Hunter, who showed steady progress during the season, won the shot put with a heave of 47-1 $\frac{3}{4}$.

A couple of other sterling performances by Reddie trackmen went largely unnoticed because of the abundance of outstanding distance runners at Harding and State College of Arkansas. Freshman Mike Jones clicked off a 4:15.5 mile, the best ever by an HSC thinclad, but it was good only for fifth place in the conference meet. Another freshman, John Mackey, established a school record in the 880, 1:54.6, but again stiff competition forced him to settle for fourth place.

Another school record was established in the pole vault when Ronnie Thornton cleared 13-6 during the season.

TOMMY CRAWFORD turns to Ouachita's Bill Meeks and says, "Put your money where your mouth is!"

AT THE SOUND of the gun Jay Philbrick sprints out of the blocks on the 440-yard relay. Jay also set a school record in the 440-yard intermediate hurdles of 54 flat.

THE 440-YARD RELAY team consisted of (left to right) Elwood Brooks, Rick Johnson, Jay Philbrick and Alan Tollett.

MIKE JONES, as a freshman, proved to be the Reddies' top miler and a bright hope for the future.

TYPICAL SCENE DURING early spring track meets—everyone bundles up to keep warm.

JOHN MACKY, a consistant 1.56 Half Miler, loosens up before track practice as Coach Donaldson watches his stride.

JACK-OF-ALL trades, **Donnie Braddock**—you name it—he'll do it. Try anyway.

Tracksters Young and Hungry

Lack of depth severely hurt the Reddies during the regular season in three and four-team meets. The Reddie thinclads, on several occasions, won a majority of the events but lost the meet by five or less points on an opponent's second and third places.

However, a number of freshmen and sophomores showed excellent improvement during the campaign and the future of track at HCS seems bright.

MUSCLE MAN JAMEY Hunter lets fly with another free sailing discuss.

EDDIE PEPPERS GLIDES over the last hurdle and races for the finish tape.

THE 1966 SWIM team and their trophy are, *first row, left to right:* Judy Harrod, Conie Reamey, Alice Shikle, Karen Kinsel and Jan Freeman. *Second row:* Kirk Reamey, Dana Witherinton, Kathy Wulff.

Berry Horton, Lou Anne Allen, Susan Allison and Miss Delores Brumfield, coach.

Girls swim team takes title

MISS DELORES BRUMFIELD, swim coach

In only its third year of existence, the Henderson State girls' swimming team easily walked, or rather swam, off with the state collegiate swimming championship.

The Reddies amassed 102 points in the state meet to easily outdistance second place Southern State's 76. Henderson State won four of the ten events, posted six second places, three thirds, four fourths, two fifths and four sixths. Every member of the team got in on the point-making.

Reddie victories were gained by Kathy Wulff in the 50-yard freestyle, Danna Witherington in the 50-yard backstroke, Lou Anne Allen in the 250-yard freestyle and the 160-yard medley relay team of Witherington, Allen and Alice Shikle.

Reddie Ripples show signs of excellence

The Reddie Ripples, Henderson State's water ballet team, presented its annual water show in March in the Haygood Pool entitled this spring, "Salute to Broadway."

The synchronized swimming unit, directed by Miss Delores Brumfield, is believed to be the only one of its kind on a college campus in Arkansas.

Jackie Wilkins served as president of the unit; Ruthie Ross vice president; Sue Graves, secretary-treasurer; Judy Harrod, historian and Danna Witherington, reporter. All participated in the show.

SALUTE TO BROADWAY: 1967 Reddie Ripple show was presented four nights during March.

THE LIGHTS DIM and Jackie Wilkins brings the 1967 Reddie Ripple season to an end.

LINDA "DUKE" DREWS prepares to serve during a tennis match which led to a Reddie victory and another step toward the AIC championship.

MARY ELLEN WESTLAKE, the conference's No. 1 girl tennis player was very instrumental in the girls taking the conference championship.

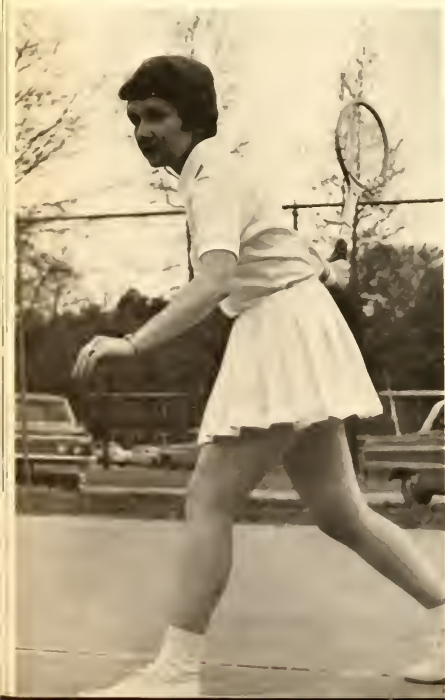

Girls Take conference meet

The Henderson State girls' tennis team charged to the top in state collegiate circles this spring after a couple of years on the threshold.

Mary Ellen Westlake captured the singles championship in the state meet without dropping a set. She also teamed with Diana Gilbert to bring the doubles title to Reddieland and only one set was lost on the way to this crown.

The 1967 season also saw a long drought come to an end when the Reddies put down rival Ouachita for the first time in seven years.

MEMBERS OF THE tennis team are shown with Miss Bettye Wallace, the team coach.

Boys tennis

Shows potential

The Henderson State boys' tennis team compiled a 5-7 record in the AIC tennis tournament and wound up fifth.

Freshman Tom Bailey, the Reddies' most consistent player, won one watch but then ran into Ouachita's Jim Saucedo, ranked No. 1 in the state and eventual conference champ, and was eliminated.

Bailey teamed with Don Blakey, also a freshman, to make it to the quarterfinals in the doubles before they were eliminated by a Hendrix duo who wound up as runnerups.

Other members of the Reddie team included Joe Moreland, Walter Moreland, Ronnie Cecil, Richard Gay and Doug Benning.

RONNIE CECIL AND Tom Bailey, strive for team work in an upcoming doubles match.

RONNIE CECIL AND Tom Bailey, now engaged in battle. Ronnie and Tom won 6-3, 6-4.

DONNA MONROE AND Tom Bailey, seem to be loafing or maybe they just got beat—seriously, they were just resting.

TYPICAL PLAY SPRINT out right. Seems the referee cannot get out of the way of the play.

THE HEIGHT ADVANTAGE seemed to pay off on this pass reception.

FOOTBALL HEADS INTRAMURALS

The intramural program provides all students who desire to have an opportunity to participate in sports. The program offers a wide variety of activities, practically something for everyone.

Among the sports offered are touch football, volleyball, swimming, basketball and softball. The program continues throughout the year, beginning with football in the fall and concluding with softball in the spring.

Men's intramurals are organized into two leagues, fraternity and independents, and each competes throughout the year in different sports.

Varied sports are also offered to the girls throughout the year. The intramural council, made up of representatives from each dorm, strive to provide active competition for those interested in such campus activities.

SHUT YOUR MOUTH, Fisher.

Set Your Standards Higher

(Please Pardon the Platitude from Potlatch)

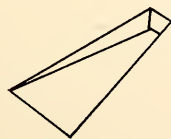

We don't mean to be trite; but since higher standards are so important to the lumber industry, we felt that put us in a good position to leave a helpful thought with you.

Success in the lumber business depends on setting higher standards. We must continually seek better forestry methods, manufacture better lumber products and market them better. At Potlatch we must always guard against letting ourselves get comfortable.

We urge you to try the same procedure. Don't let yesterday's best be good enough for today. It may be frustrating at times; but your reward will be worthwhile.

Set your standards higher in school work, in conduct, and general achievement. It's the only sure way to excellence.

Thanks for listening.

I leave you now with this overall view of HENDERSON STATE COLLEGE and ask you to read and remember the words found on page 2 of this book. Along with these words, I also ask you to remember this quote by Hans Christian Anderson—"Nothing is too high to reach but he must climb with care and confidence.

As I complete this volume of the Star, my only hope is that it covers completely the School With A Heart.

Sandra Pumphrey
Editor, 1967 Star
